

REDS IN THE SPOTLIGHT

For some years it has been obvious that at least a few pro-Communists have been able to dig in and support themselves in the well-paid field of public entertainment.

The extent to which this has happened is still to be revealed. Many individual performers have been exposed in the movies, the legitimate theatre, and the various forms of broadcasting. Some of these have confessed, some have dropped out of sight since their exposure, and others have loudly proclaimed their innocence.

No one who watches public entertainment closely, and notes the activities of certain performers in the political arena, believes that the whole truth has yet been told.

Show folks are so well paid, when successful, and they enjoy so much power of planting ideas in the public's mind, that the Red plotters against our civilization and government have the best of reasons for penetrating just as deep as possible into this field, and for hanging on to their gains with a deathgrip.

What has not yet been disclosed includes the interesting question of whether each Communist in show business is "on his own," or whether they are a closely-knit team, each helping along the others.

A great many observers have conjectured that they play close teamwork—that they, as the saying goes, "scratch each others' backs." There has been a good deal of evidence hinting that they help promote each other in these highly competitive fields, and of course it is obvious that they (along with a host of pinkish writers well represented in many of our supposedly conservative and presumably patriotic national publications) dash frantically to each others' defense whenever the accusation of pro-Communism is made.

New and interesting evidence was brought forth last week indicating that in the world of theatre and broadcasting there exists an active organization of pro-Communists busily engaged in advancing the interests of other pro-Communists—and, of course, of holding down or pushing back those who do not share their radical views.

Source of this new evidence was Ed. Sullivan, well-known columnist and television showman. Mr. Sullivan demanded that the Un-American Activities Committee subpoena a ballet star whom he said had revealed to him in his office before a witness that he (the dancer) had been a card-carrying member of the Communist Party.

What makes the purported statement of this professional entertainer, as reported by Mr. Sullivan, all the more interesting is that it is reported by Mr. Sullivan, all the

THREE MEN UNDER ARREST HERE TO BE RETURNED TO N. J.

Trio Questioned All Day Yesterday by The Police

ADMIT 3 OTHER JOBS

Police Unable To Get Men To Admit Any Crimes In Penna.

The three men picked-up by police here early yesterday morning and accused of burglarizing the American Legion Home in Roehling, N. J., are to be taken to Doylestown tomorrow where extradition proceedings are to be taken. The men will be returned to New Jersey authorities. Today will be spent in drawing information and placing formal charges against the trio.

The men being held in custody here are: William Everett Willhits, 20, Third street, Beverly, N. J.; William Bozarth Ridgeway, 23, Bustleton road, Burlington, N. J.; Raymond E. Ridgeway, 18, Bustleton road, Burlington, N. J.

Yesterday, police closely questioned the three but did not obtain any statements that they had committed any crimes in Pennsylvania. Bristol Police Chief Linford J. Jones, Bucks County Detective Fred Koehler, State Troopers Kuttney and Dane spent most of the day talking with the men.

The men, police say, admitted three other jobs in addition to the

BUCKS COUNTY WOMAN ENTERS GUILTY PLEA

Mrs. Edna E. Bower Tells Judge She Is Too Ill For A Trial

SLUMPS IN A FAINT

CAMDEN, N. J., Mar. 27.—A Bensalem Township, Bucks County, woman, Mrs. Edna E. Bower, 45, Mechanicsville and Byberry roads, pleaded guilty yesterday in U. S. District Court, Camden, to five of six indictments in the fraudulent "sale" of surplus Army automobiles.

After being asked by Judge Thomas M. Madden if she realized that by changing from a not-guilty plea which she entered last July 21 she was subjecting herself to possible imprisonment and a heavy fine, the plump, blonde defendant murmured, "Yes," then slumped to her knees in a faint.

The woman's husband, J. Stanley Bower, 49, who is under \$1000 bail in the same case, stepped to her side, gave her some pills from a bottle, then assisted her to the corridor. The jurist meanwhile had directed that she remain at liberty under \$5000 bond, pending sentence at an unspecified date.

Mrs. Bower was indicted in Cam-

CROYDON CONTRACTOR IS RELEASED FROM A RESORT HOSPITAL AFTER 24 STITCHES ARE TAKEN IN SLASHES; WIFE IS UNDER ARREST

By International News Service

ATLANTIC CITY, Mar. 27.—Nathaniel L. Vincent, 53, Croydon, Pa., contractor was released from an Atlantic City hospital today after treatment for wounds allegedly resulting from an argument with his wife in a beachfront hotel Sunday. Vincent left the infirmary some 18 hours after he was admitted for treatment of slashes of the face, left arm and both hands. He required 24 stitches. Detective Corporal Earl Butcher said he was informed by a witness that Vincent, a his wife, Loretta, 38, and a friend, Mrs. Nora Schwartz, 43, of Sovereign Court Apartments, were in-

involved in an argument when the incident occurred. Mrs. Vincent, charged with atrocious assault and battery, was released in \$2500 bail, pending a hearing next Monday in municipal court.

Vincent and Mrs. Schwartz each posted \$500 bail as material witnesses. The trio was arrested by Detective Robert Silvagni who came to the hotel in response to a call declaring that a man was bleeding in the lobby. Butcher quoted Mrs. Vincent as saying she did not remember anything at the time. A razor blade, believed to have been used in the slashing, was found in the room, Butcher said.

REGISTRATION GROUP CONCLUDES TABULATION

Bucks County Has 40,283 Registered Republicans, 15,782 Democrats

2,093 HAVE 'NO PARTY'

The Bucks County registration office final tabulation, following a reinstatement and cancellation project, which has been completed, shows that the county has 40,283 registered Republicans, 15,782 Democrats, 2,093 who declared no party affiliation and 175 persons affiliated with other parties.

This represents a total of 58,333. It was pointed out, however, that these figures change almost daily due to removals from the county, deaths and new registrations.

The two-year delinquent voters' survey, which was begun in the registration office early in December, reveals that out of a total of 5,525 electors found in the delinquent category, 1758 signed and returned their requests for reinstatement within the specified time, and their registrations have been reinstated.

The 3,767 registrations, which were cancelled, represented deceased persons, those notifying the office of their removal from the county, notices returned unclaimed and those from whom there was no response. The registrations of electors whose requests for reinstatement reached the office beyond the fixed deadline of acceptance, were also cancelled. The belated requests continue almost daily, but are of no avail now.

Broken down, the reinstatements represent 1,113 Republicans, 529 Democrats, 109 of no party, and 7 of other parties. The total number of cancellations are classified as follows: 2,590 Republicans, 941 Democrats, 221 no party, and 15 affiliated with other parties.

All persons whose voting registrations have been cancelled and continue residence in the county will be obliged to re-register in order to restore their eligibility to vote. The last day to register prior to the July 24 primary election will be Monday, June 4.

BLOODMOBILE TO BE HERE APRIL 4TH

"Blood for Korea Day" To Be Held By Red Cross

INVITE ALL TO DONATE

Mrs. Adolph Ancker, Lower Bucks County Red Cross Blood Service chairman, and Mrs. Julius Sobel, Bristol District chairman, announce a "Blood for Korea Day" to be staged in this community Wednesday, April 4. In anticipation of the public's questions, Mrs. Ancker and Mrs. Sobel issued the following joint statement relating to the scheduled bloodmobile visit here.

"Literally thousands of donors to the Red Cross Blood Program have asked the question, 'What happens to my blood after I give it to the Red Cross?' The answer is an efficient, nationwide system unmatched in the world; a system which is helping to save the lives of thousands of American fighting men in Korea, and men, women and children at home.

"You will have an opportunity to watch this Red Cross teamwork in action when a mobile unit from the Philadelphia Red Cross Blood Center visits Bristol on April 4th, to receive blood donors.

"The bloodmobile units are staffed by doctors, specially trained professional nurses, technicians and custodians. They are assisted during each visit by local Red Cross Nurse's Aides, Gray Ladies and Canteen volunteers.

CREATIVE RESEARCH CO. LOCATES HERE

Personnel of New Plant Has A Background In Designing

10TH & MAIN IN TWP.

Creative Research & Engineering Co. Inc., has located in a plant at 10th and Main streets, Bristol Township. The personnel of this new plant has a background in designing, developing and manufacturing aircraft components and assemblies. At present plans are underway to produce products in related industries in which aircraft skills so readily adapt themselves.

The curtailment of metal has prevented merchants from securing such products as display stands, handling equipment, shelves and racks. Frank J. Yanchis, president and general manager, says that Creative Research is prepared to help local merchants with any design problem pertaining to the sale of their merchandise. "If a merchant can't get what he wants in one material we can probably make it another. We will be far happier helping an inventor or a person with an undeveloped product, improve upon that product or invention. Of course, if our facilities are needed we will naturally go into defense work."

The concern is now working on an aircraft part using a stamping method to take the place of a solid casting.

Along with the development of new experimental products the company is in a position to do maintenance work for industries in this area.

Races will be conducted throughout the entire season at the Langhorne Speedway, Lincoln highway, east of this borough, as all of the Yellow Jacket's racing activities will be transferred to that site. The Yellow Jacket stadium in Frankford is to be the site of a large warehouse for the Frankford Grocery Company; it is stated.

There will be stock-car races, midget events and motorcycle races, according to Milton Casper, concession manager.

Great crowds were attracted to the Yellow Jacket stadium when events were conducted there, and it is presumed that even larger crowds, in view of the growth of the lower Bucks County area, will be attracted to the events here.

The Redman automobile agency announced today that its business, conducted on a part of the speedway property, will in no wise be affected.

The location is easily accessible to followers of racing events in a wide area.

The Langhorne Speedway for the past several years has been operated by the Babcock interests.

Bristol Youth Hurt In Automobile Crash

A young Bristol man sustained a cut on the right eye-lid, and bruise of the nose, yesterday, in a motor accident on Pond street, near Dorran. The injured one, Richard Puchino, 19, of 325 Wilson street, was treated by a local physician, first aid treatment having been given by Bristol Blood Donors.

It is stated that Puchino was the passenger in a car operated by Joseph Paul, of Pine street. The two were en route west on Pond street, and a halt was being made to pick up a friend, it is claimed, when the car struck a parked machine.

ONE MAN'S OPINION

By Walter Kiernan (Distributed by International News Service)

A decline of two-tenths of one per cent is noted in food prices. . . This will enable a number of people to restore caviar to their diet.

Two-tenths of one per cent here and two-tenths of one per cent there and the first thing you know you have one per cent. . . and stop worrying about the other ninety-nine per cent.

But this is an indication that the battle against inflation goes well and in no time at all we shall have succeeded in lopping as much as four-tenths of one per cent off the meat bill.

One can easily see the happy housewives crowding into the savings banks to deposit their little two-tenths of one per cent as a cushion against old age.

And all of this has been accomplished without the regulation so many feared as necessary. . . Today you STILL can go into a store without any kind of ration card and not be able to afford to buy anything.

WORLD NEWS IN BRIEF

The Senate Crime Investigating Committee should continue its inquiries on a permanent basis, Attorney General McGrath and F. B. I. Director Hoover declared yesterday. They testified before the committee, which is scheduled to go out of existence Saturday. Mr. McGrath said Frank Costello could not be deported under the present law. In a blanket denial filed with the committee, former Mayor O'Dwyer, N. Y., called John P. Crane's charge of a \$10,000 payment "a vicious lie."

Mr. Hoover and others testified on favors shown by New York officials to big-time gamblers. Mr. O'Dwyer was questioned for four and one-half hours by the Brooklyn gambling grand jury.

James J. Moran, retired N. Y. Water Commissioner, and Louis Weber, involved in Brooklyn policy operations, were indicted by a Federal grand jury for perjury as a result of testimony before the committee last week. Weber had sworn he did not know Moran; the latter had sworn that Weber had visited him only a few times, but a receptionist testified there had been at least fifty visits.

A special immigration inquiry board unanimously ruled that Mrs. Ellen Knauff, a German-born war bride, should be denied entry to this country. Three witnesses swore she had spied for Czechoslovakia. President Truman signed the bill authorizing interest payments on Series E savings bonds held after maturity.

Industry will spend a record \$23,500,000,000 on new plants and equipment this year, Washington estimated.

Economic recovery abroad, the Federal Reserve Board said, has been evidenced by a drop in this country's gold stocks and a rise in foreign holdings of United States dollars.

This hemisphere cannot be made safe "by building a wall around it," President Truman said in opening the conference of foreign ministers of the American republics. He called for unity with the free people of Europe and Asia and in hemispheric economic as well as military strength.

Confidence in eventual political victory, fear of military defeat and internal tensions may deter the Kremlin from attacking Europe this year, Allied experts feel.

Today's Quiet Moment

By the Rev. Harold C. Koch
Pastor
Bristol Methodist Church

The spring of the year is bursting upon us, and as we look anew with wonder upon God's waking world, we hear echoing those words of the ancient Hebrew seer: "the time of singing of birds is come." . . . Dear God, we take new heart and find new life in Him whose love makes all things new. Grant us to hear his words: "He that cometh to me I will in no wise cast out" . . . "I am the way, the truth and the life, no man cometh unto the Father, but by me." And grant us to reply, as did Peter of old . . . "Lord, to whom shall we go, thou hast the words of eternal life." This we pray in Jesus' name. Amen.

MERCURY with Touch-O-Matic Overdrive again takes first prize in Class "C" in the Mobilgas Economy Run! Proving its pound-for-pound gasoline economy, this stock Mercury scored amazing 59.868 ton-mile performance over a grueling 840-mile course staked out by the American Automobile Association. Virtually every kind of weather and road condition—7,000-foot ice-ridden mountain passes . . . sweltering, sand-swept roads of Death Valley—put the car to the test. But still, the new 1951 Mercury delivered the best ton-mile gasoline economy of any car in its class. That's something to think about when you buy a 1951 car. It's good to know that the new 1951 Mercury can save you money for years to come, no matter where you drive! As if this amazing economy weren't enough, Mercury also offers new styling that's more than just skin deep. New riding comfort that's designed to give you a smoother ride longer. New value that can't be surpassed by any car on the road today! Once again the facts have proved it—the new 1951 Mercury is "the buy of your life!" See it today in our showroom.

"For the drive of your life," Mercury offers you a triple choice in transmissions. Merc-O-Matic Drive, the new, simpler, smoother, more efficient automatic transmission—or thrifty Touch-O-Matic Overdrive are optional at extra cost. There's also silent-smooth synchronized standard transmission.

MOOSE DART SHOOTERS TO MEET CHAMPIONS

3 Men Under Arrest Here To Be Returned to N. J.

The Loyal Order of Moose earned the right to meet the regular season champion, Mutual Aid Society, in the final playoffs in the Clubmen's Association dart league. Last evening they won two straight games in their match with the Veterans of Foreign Wars. The match was played at the "Vets" home and although the Vets put up a game battle the Moose overwhelmed them by 231 to 188 and 214 to 175 scores. For their reward in finishing in third place the Veterans will receive a large plaque. In the games themselves it was Gene Mount and "Spike" Naylor who led the winners in their triumph. Gene threw two 51 games while "Spike" had a high single score of 53.

The Moose and Mutual Aid Society will begin their three-match series for the championship this Wednesday evening at the Mutual Aid home pending final arrangements. The second match will be held at the Moose home and if a third match is necessary it will be played at the neutral home of the Veterans of Foreign Wars. Both teams will be at top strength and five games are anticipated between these two titans in the dart league.

on political aspects of the Korean war. The action was reported to have resulted from MacArthur's recent "peace appeal" to the Chinese communists. Sources said this statement by the General was not cleared with the Pentagon nor approved by the State Department.

TOKYO—Gen. MacArthur's call for a Chinese surrender in the field is being placed before Chinese troops in Korea by every available means today while Tokyo debates Washington's apparently cool reception of MacArthur's statement. It is the view of Tokyo military observers the MacArthur document invades no political or diplomatic fields, despite a seeming belief in Washington that it does.

Bucks County Woman Enters Guilty Plea

den last June 29 on four counts of posing as an Army nurse to obtain money and on one of illegally transporting in interstate commerce more than \$5000 obtained by fraud. She, her husband, Bower's brother, George, of Haddonfield, a Public Service Electric & Gas Co. official, and George's wife, Emilie, also were indicted at that time on a conspiracy charge. That charge, to which all had pleaded not guilty last July 21, was not brought up at yesterday's 15-minute proceeding. George Bower and his wife were released in July on their own recognizance.

In the corridor of the courtroom, Bower lunged at a photographer who attempted to take the couple's picture. The camera's plateholder was broken. The photographer obtained a warrant charging Bower with violating a New Jersey law against interfering with a newspaperman. As he left the Federal Building, Bower was taken to the basement of City Hall and booked. He was freed in \$500 cash bond by his attorney. Mrs. Bower was indicted in Camden last June 29 on four counts of posing as an Army nurse to obtain money and one on illegally transporting in interstate commerce more than \$5,000 obtained by fraud.

CARD PARTY PRIZES

Among the prizes offered at the card party given by the Mothers Association, Bristol public schools, in the high school cafeteria, on Wednesday evening, are: set of glasses, pillow, dry mop, vase, cake dish, glass baking dish, etc.

"We've driven our 5 Dodge cars over a million miles"

Says GEORGE GILL, Taxicab Fleet Operator, Red Bank, New Jersey

"When five standard Dodge sedans cover a million miles you begin to realize what Dodge dependability means. Four of our Dodges are still going strong. One, after 400,000 miles, was finally retired from service. All those miles were safe, dependable, comfortable miles for our passengers—amazingly economical and trouble-free miles for us."

Depend on it! This great new Dodge will see you thru the long pull ahead!

IN TIMES like these, it pays to own a car you know is engineered through and through to stand up better, serve you longer at lower cost. That's why we suggest you drive the car whose reputation for dependability... for long life, ruggedness and stamina is recognized the world over.

Styled to the minute, extra roomy with wonderful new "watchtower" visibility, more comfortable to ride in, easy to park and handle—this year's great new Dodge is the car to see you through the long pull ahead.

Spend 5 Minutes With Us

Come in today. Five minutes is all it takes to check and compare... to learn how much more Dodge dependability can mean to you. We'll be glad to show how you could pay up to \$1,000 more for a car and still not get all the extra room, ease of handling and rugged dependability of today's big Dodge.

1951 Dependable

DODGE

Just a few dollars more than the lowest-priced cars!

LONGER BRAKE LIFE! Big Safe-Guard Hydraulic Brakes stop you smoothly, softly, safely. Easier on you. Easier on tires. Cylindrical linings last up to twice as long.

DEFIES ALL WEATHER! Water tight, dust tight, sealing keeps you snug and dry... the engine purring. Body is insulated against heat in summer... cold in winter.
